THREE GENERATION GENEALOGY CERTIFICATE

PLEASE READ THE FOLLOWING NOTES CAREFULLY

- Transfer of Ownership can be done online at www.canine.co.za
- This genealogy certificate provides the genealogical information of the canine expressed on the certificate
- This genealogy certificate is issued in South Africa in terms of Section 15 (4) (a) and (b) of the Animal Improvement Act, 1998 (Act No. 62 of 1998)
- CanineSA issues the genealogy certificate on behalf of the breeder based on an application submitted by the breeder
- If this genealogy certificate is submitted for transfer of ownership via email or fax, both the front and back page should be included. Please include proof of payment
- Please note that the application for transfer of ownership will be returned, causing unnecessary delays, if the prescribed fees are not paid
- Please note that CanineSA only accepts electronic payments - please no cash
- The QR barcode (top left corner) can be scanned to verify the authenticity of the genealogical certificate
- If you do not have a QR barcode scanner available, the URL (bottom right) can be used to verify authenticity of your genealogical certificate

APPLICATION TO TRANSFER OWNERSHIP

Transfer the canine from the breeder to a new owner's name by completing the form

- This certificate must be submitted immediately after purchase in application to apply for Transfer of Ownership (see prescribed fees below)
- In order to transfer the canine into the new owners' name, the following actions are required:
 - The new owner must complete this form and sign Section 2.1
 - If the canine has been newly microchipped please provide the microchip number at Section 2.3
 - Select a Genealogy certificate option
 - Pay the application fee and forward proof of payment with both the front and back page of the application form
- Following the successful transfer of the canine to the new owner, an amended genealogy certificate will be issued to the new owner, confirming ownership

Online transfer the canine from the breeder to a new owner's name

In order to transfer the canine online please follow the following steps:

- Login to www.canine.co.za
- Register or login with a unique username and password
- Click on "Transfer Dogs"
- Provide the Registration Number and PIN as required
- Update the attributes that are listed if required
- Complete payment and the new certificate will immediately be e-mailed to your e-mail address
